UI Design: Finance Management Dashboard
Dribbble Link (you can clone exactly this): https://dribbble.com/shots/22909091-Cloud-Finance-Financial-Management-Dashboard-UI

Colors used in the design:
Background Grey Color - rgbo(246,246,248,1)
White Card Color - rgbo(255,255,255,1)
Blue color - rgbo(55,124,246,1)
Other Blue color (used in graph) - rgbo(149,224,251,1)
For colors not mentioned (like green, red, black), use the default ones provided by Colors class (like Colors.green).

Icons: Use icons from Icons or CupertinoIcons class in Flutter (they're not exactly similar as the one used in the Dribbble design but you're good with that).

Instructions:
Try to create a Responsive UI (if you can't it's fine, at least give it a try!)
Upload code to GitHub.
Make sure your repository is public.
You can discuss about this challenge here.
Share link to your github repository using this form - https://forms.gle/K1vQktxu7x43cJJ8A
Make sure you enter a valid email as we'll be giving feedback to you via your email.

So go on then, can't wait to review your code. Good luck!
